

Florida Women's Business Center Network

Female Entrepreneurs are starting more businesses than ever before and play an increasingly important role in the economy.

It is vital that Women Business Owners advocate for their businesses and industry in Tallahassee and Washington D.C.

“
If they don't give you a seat at the table, bring a folding chair.”

FREE Zoom Webinar

The Florida WBC Network will be hosting a series of webinars this Spring to help Women Business Owners learn to Advocate, Connect and Engage in the legislative process.

You're invited to a special briefing by the Jax Chamber to learn about some of the proposed legislative bills and policies that could impact YOUR BUSINESS.

Don't wait until a bill becomes law - learn how you can be a part of the process and claim your seat at the table!
